## Autumn 2018

Join us this Autumn for lots of different events and activities. We have five different afternoon teas to tempt you as well as special cream teas up to Christmas.

Look out for the Bakery School activities where we will have a range of courses, talks and demonstrations for you to learn new things. Want to learn how to make bread? Or perhaps what it takes to be a baker in 2018? Don't forget learning all about Harlow Old + New.

Our social Lunches have a communal table where you share a meal and meet other local people with a set menu for a fixed price. If you'd prefer to sit on a quieter table just let us know!

Monday 1 <sup>st</sup> October	Closed
